20 Pursuant to Civil Local Rule 6-1(a), the parties to this Freedom of Information Act action hereby
21 stipulate and respectfully request that the Court take off calendar the Case Management Conference set
22 for May 24, 2022, ECF No. 21, and continue it to June 14, 2021, or for another date convenient to the
23 Court. The reasons for this request follow:

24 Through the meet and confer process, the parties have made significant progress in this case. To
25 date, defendant has produced all but one of the documentation about the companies that plaintiff
26 requested to be produced under the Freedom of Information Act, 5 U.S.C. § 552 *et seq.*

27 The parties last communicated on May 5, 2022, and agreed that since only the records of one
28

1 company are left to be produced, it would be more productive to postpone the case management
2 currently schedule for May 24 by three weeks, until June 14, 2022, in order to give defendant the
3 opportunity to determine if it will be able to produce the documents. By that time the parties expect to
4 be in a better position to appraise the Court on whether all substantive FOIA issues have been resolved
5 or if plaintiffs will file a summary judgement motion.

6 For the above stated reasons, the Parties respectfully request that the Court take off calendar the
7 Case Management Conference set for May 24, 2022 and continue it to June 14, 2022. If this request is
8 granted, the parties will submit a Joint Case Management Statement by June 7, 2022.

9 Respectfully submitted,
